

Florist needed

Missouri Meetings and Events is seeking several of the area's florists to donate 2 or three floral arrangements to be used as centerpieces at a sit down luncheon and will be visible among the many suppliers and event planners that will attend. This luncheon will take place during the St. Louis Expo at Doubletree by Hilton in Chesterfield May 21-22, 2012.

Planners will be asked to judge the arrangements based on originality, design, and also in keeping with the theme, "Plan it Tech Know". The winning florist will be put in the Fall issue of the magazine, which is read by over 10,000 subscribers, and be presented a trophy!

All tables will have table cards that identify the florist and additional information can be placed in the planners bags (as an extra thank you for your donation!) At the end of the day we will have a drawing and the flowers will then be presented to one of the lucky attendees.

All floral arrangements would need to be at Doubletree by Hilton Chesterfield by 7am on May 21, 2012 (or can be delivered the night before). All participating florist will be asked to return at 2:15 to take part in the last session May 22, 2012. Materials for planner bags should be delivered to Missouri Meetings and Events 4 days prior to the show.

We still have room available if you would like to also purchase exhibit space!

Please contact Vikki Matthews at 314-781-8880, ext 103 by May 1, 2012 if you would like to partake. Give us a call today and be put on the list of florists that are not afraid to show their talent!

Come have fun and maybe even win a trophy as well as network with hundreds of Industry Professionals. See you there!

Sincerely,

Vikki Matthews
